U say gnomes do not talk?

But this one did.

All the dogs and cats called him blabb de blabber.

I know I am a dog and dogs hate gnomes more then cats.

But believe me I saw it all with my own eyes.

OK maybe I lied a little bit.

OK maybe a lot.

Their house is in the middle of the woods.

Chapter 7 by Dan_K

Ah, see!

I have lied once again.

Their house was in a city.

A city called Paris.

And in Paris there was many stray animals like Fred that like to eat gnomes.

They are stupid like that.

Do not as me why, I am but a narrator!

Let us carry on.

This gnome was no special gnome.

This gnome had a home.

This home was built by none other than the gnome's own owner!

The boy who built the gnome's home

He built his little gnome's home

A home the gnome could call his own.

But one day, Fred came.

Ah, but Fred comes every day, you could ask.

Yes, but this is no normal day.

Today, the gnome's own owner was not there next to the gnome's own home reading the newspaper, like he usually does.

Today was the day the gnome's own owner went away on a trip.

And that is why the little gnome was eaten by a cat named Fred.

Chapter 8 by Deer Girl

Why I am very sorry but it looks like the story is ending....
